Enter the domain to search in the domain box.

The image shows the Google Advanced Search interface. At the top left is the Google logo, followed by "Advanced Search" and links for "Advanced Search Tips" and "About Google". Below this is a search bar with a "Find results" button. To the right of the search bar are four radio button options: "with all of the words", "with the exact phrase", "with at least one of the words", and "without the words". Each option has a corresponding text input field. To the right of these options is a dropdown menu showing "10 results" and a "Google Search" button.

Below the search bar are several filter sections:

- Language:** Return pages written in
- File Format:** return results of the file format
- Date:** Return web pages first seen in the
- Occurrences:** Return results where my terms occur
- Domain:** return results from the site or domain e.g. google.com, .org [More info](#)
- Usage Rights:** Return results that are [More info](#)
- SafeSearch:** No filtering Filter using [SafeSearch](#)
