For what's on and details of shows try

- Exhibition bulletin

Library publications

Library publications - including **BIAD Subject Guides** - are produced by Library and Learning Resources. PDF files may be found at <http://library.bcu.ac.uk/framePubs.htm>

The Library Web Pages

<http://library.bcu.ac.uk/>

The Library Web Pages provide access to, and information about, all aspects of the University's Libraries. From here you can access the Library catalogue as well as other University catalogues. The Library Web Pages have a list of UK and global search engines as well as Art & Design subject pages listing useful websites.

Electronic Services (- via the Library Web Pages) include:

- Art Full Text
- Art Bibliographies Modern
- Design & Applied Arts Index
- Fame
- MAD.co.uk

(The above are useful to search for references to articles published in journals)

For company information try

- **Carol** (accessible from the Business Subject Page of the Library Home Page)

For newspapers

- Nexis UK

Descriptions of what each electronic service provides are on Library web pages. Should you need some help—group training sessions can be organised in liaison with your tutors; Small groups or one-to-one sessions can be arranged—and we offer drop in sessions - Just let us know

Some interesting web sites include

IDE-Virtual Design Museum

Image database of the work of 16 key 20th century designers
www.io.tudelft.nl/public/vdm/

Bad designs

A site showing how bad some designs can be. It says it is “a scrapbook of illustrated examples of things that are hard to use because they do not follow human factor principles”
www.baddesigns.com/

Design against crime

Central Saint Martins College research project to encourage prospective designers to think about, and explore, design against crime
<http://www.designagainstcrime.com/>

ICSID

The International Council of Societies of Industrial design – web site
www.icsid.org

IDEO

A product consultancy site involved with innovative design products
